

Passionate About Investment Management

At William Blair, we are passionate about the profession of investment management.

We are an independent, 100% active employee-owned firm with no distractions from our sole priority: creating strong, risk-adjusted returns for our clients.

We have deep expertise: 91% of William Blair Investment Management's institutional portfolio managers and analysts have earned advanced degrees or are CFA charterholders. And the stability of our teams is at the core of our success in creating sustainable value for our clients.

Our highly collaborative team draws on intensive research and insightful judgment that comes only from experience, and our investment process is designed to be disciplined, rigorous, and, most importantly, repeatable. Moreover, we evolve to meet our clients' needs while remaining true to our core investment strengths and maintaining our uncompromising integrity. This consistent approach builds alignment—and client relationships—that endure over the long term.
